

7 Texts That Actually Work

@hartmanna.coach

Why This Matters:

In modern dating, texting has become a powerful tool for making meaningful connections.

What you'll learn:

7 proven text types — not gimmicks or pickup lines, but genuine ways to spark interest and warmth in your conversation.

The "Thinking of You" Text

The Concept:

A simple, unexpected message triggered by something that reminded you of them.

Why it works:

- Shows they cross your mind during the day
- Subtle compliment
- Often leads to light, happy back-and-forth

“

"Hey, I just saw [their favorite snack/flower/book] at the store and it made me think of you 😊 Hope you're doing great!"

“

"Caught myself humming that song you mentioned... you've officially taken over my playlist 😊"

“

"This meme made me laugh way too hard – it's so you 😂 Had to share!"

The Unique Compliment Text

The Concept:

A genuine compliment, but make it specific and playful. Skip the generic phrases!

Why it works:

- Specific compliments with humor feel personal and genuine
- Boosts confidence without sounding like flattery
- Makes them feel truly seen

“

"Have I mentioned how great you look in green? Serious fashion inspo – I might need you as my style consultant 😂"

“

"You made me laugh and forget I was nervous in 5 minutes. That's your superpower right there 😇"

“

"You have this amazing ability to make any conversation interesting. How do you do that? ✨"

The Inside Joke Text

The Concept:

Reference a funny moment you both experienced

Why it works:

- Creates that "it's just us" feeling
- Shows you remember and value shared moments
- Often makes them smile or laugh at their phone

“

"Remember when we got way too competitive over trivia? I demand a rematch, champ 🏆😜"

“

"I walked by a Bubble Tea place today and couldn't help laughing – no judging your 7-sugar habit next time 😇"

“

"Saw a guy trip over a squirrel — thought of your heroic rescue 🐿️😂"

The "I Wish You Were Here" Text

The Concept:

The flirty classic — "this would be better if you were with me".

Why it works:

- Shows affection
- Can lead to sweet responses or plans
- Plants the idea that being together would be enjoyable

“

"This sunset's amazing... only missing you 😊"

“

"Movie night would be cozier with you here 🍿"

“

"Walking through the park and thinking how nice it would be if you were here ☀️"

The Playful Tease Text

The Concept:

A bit of light teasing can be flirty and fun when it's kind.

Why it works:

- Mutual teasing creates flirty tension
- Makes chatting feel like a game
- Shows comfort and humor

“

"I bragged about your karaoke — you owe me a show 🤪🎤"

“

"Trying to outwit me? Cute... 😏 Game on"

“

"Pineapple on pizza? Bold... kinda like you 😏"

The Uplifting Good Morning Text

The Concept:

Being the first "good morning" they see — simple but impactful.

Why it works:

- Shows care and consistency
- Two things that build trust early on
- Safe way to show affection

💡 Tip: Use occasionally so it stays thoughtful!

“

"Good morning ☀️ Just a reminder you're awesome"

“

"Morning! Virtual coffee coming your way ☕"

“

"Good luck with your meeting — you'll crush it!"

The Future Plans Text

The Concept:

Hint at something fun to do together.

Why it works:

- Suggesting shared plans builds intimacy
- Helps both of you picture spending more time together
- Shows excitement about seeing them again

💡 Tip: Keep it casual so it feels inviting, not like a demand!

“

"New hiking trail — I'll bring snacks, you bring the company 😊"

“

"Cozy pasta place we should try 🍝"

“

"Saw an interesting art exhibit — think you'd love it 🎨"

Final Tips from Your AI Coach

Key Principles:

- Be yourself and have fun
- Mix and match approaches naturally
- Pay attention to their responses
- Don't worry if a joke falls flat

Why it works:

- Texting is part of the bigger picture
- Goal: move toward real-life moments
- You'll learn their style over time
- Authenticity is your superpower

You've got this! 😊 Happy texting! 🎉
